Resolution.—Approved.

II. Deferred proposition.—Proposed forms of accounts to be adopted in the Assessment Department as per resolution passed at the meeting dated 30th June 1882.

Resolution.—New forms of accounts having been determined on, their preparation will shortly be effected.

III. Deferred proposition 2.—Proceedings of the Dewan of Mysore, No. 2218—109, dated 23rd June 1882, on the subject of octroi.

Resolution.—The Commissioners after having carefully considered the question of separation of octroi from the Municipality, Civil and Military Station, are of opinion that the separation will neither result in complication nor extra expenditure. The establishment of Ukkads in the several localities as well as their charges having been duly considered and approved of, the same will be submitted to the Dewan for sanction.

IV. Proposed by the President to introduce a Bye-law requiring proprietors of cart-stands to pave the same with stones.

Resolution.—The Commissioners consider the introduction of the above Bye-law undesirable and that it will be sufficient if notices be served upon the proprietors or persons in charge of cart-stands to the effect that their licenses will not be renewed unless drainage and cleanliness, &c., are properly attended to.

V. Consideration as to the purpose for which the piece of land near Agrahar gate can best be utilized.

Resolution.—The question to be deferred till the whole land has been acquired.

VI. Consideration of the additional establishment that will be required for the daily conservancy of houses under the provisions of the Bye-law recently sanctioned regarding cess pits.

Resolution.—Establishment to be gradually increased by 10 sweepers and 10 carts.

VII. Consideration of certain reforms proposed in the existing conservancy establishment, *viz*, dispensing with the services of women sweepers, employing men sweepers in their stead and clothing them.

Resolution.—The women sweepers to be retained for the present and the men to wear a cap with number.

VIII. Proposed by the President to construct a Sub-Vegetable Market somewhere in Akki Pettah where vegetables are now sold on open ground.

Resolution.—The construction of a Sub-Vegetable Market is sanctioned. The necessary estimate and plan be submitted to the Dewan for sanction.

IX. Proposal by the President that all shop keepers in whose shops kerosine oil is stored for sale should be required to take out special licenses as the same comes under the provisions of Section 185 of the Bangalore Municipal Regulations of 1871.

Resolution.—Deferred.

X. Letter No. 5259, dated 11th instant, from the Secretary to the Government of Mysore, Public Works Department, communicating the decision of Government as regards contribution towards the maintenance of certain Municipal roads.
